Positions
INTERNSHIPS (commitment through the summer and the week of Round-Up is crucial for each position)

Each position would be 10 to 35 hours a week depending on the student's schedule and commitment.

*Sales associate: that could turn into more depending on the interest and abilities of the student.

* Social media specialist: our store has Instagram, TikTok, Facebook, and our own website. This could turn into a paid position depending on the abilities and interests of the student.

* Inventory specialist: responsible for displays, product placement, pricing and tagging.

* Website specialist: Posting products on our website and packing and shipping products that sell.
