April 4, 2016

Dear Parent/Guardian,

It is getting to be that time of year again, when spring is in the air and the second round of parent-teacher conferences is upon us. I would like to invite you all to attend the conferences at your convenience. The dates and times of conferences are:

Wednesday, April 13 from 5:30 to 8:00

Thursday, April 14 from 7:30 to 12:00 and 1:00 to 6:30

The teachers will be located in the Commons during that time. The easiest way into the Commons is to park in the student parking and enter between the Commons and the Gold Gym.

We have a few other items on the horizon. Beginning the last week of April, we will continue with the state testing of the juniors here at PHS. The website and calendar attached to it are regularly being updated with the most recent information. Additionally, there will be a monthly report posted to the site with summaries of activities that have taken place. There is a lot of information to share and this is a great way to stay in touch with what is happening at PHS! The website is located at <http://hs.pendleton.k12.or.us>

Being that the weather has taken a turn for the better, I thought that I would also take this opportunity to remind students and parents alike that school attendance has a huge impact on student learning. Please reinforce this message with your son/daughter and keep them in school as much as possible. If your son/daughter must miss school, please be sure to call Kerri Swenson, the attendance secretary, to let her know the reason for the absence.

It has been a great year here at PHS, and we thoroughly enjoy the opportunity to work with your students. If we can be of any further assistance, please let us know.

Sincerely,

Dan Greenough

Dan Greenough, Principal
Chris Bettineski, Assistant Principal
Troy Jerome, Assistant Principal/Athletic Director
