

Pendleton School District 16R  
2018 – 2019 School Year

Re: Student Injuries and Insurance

Dear Parent/Legal Guardian,

The safety of our students is one of our most important concerns. Even so, accidents do happen and resulting medical treatment (ambulance transport, surgery, hospitalization, etc.) can be very expensive.

Please know that the District **does not** assume responsibility for these costs. However, as a service to you and your child, your school has joined with 1,000s of others by offering you access to a low cost, voluntary purchase student accident/health insurance program. The program is arranged and administrated by Myers-Stevens & Toohey & Co., Inc. a firm that has specialized in such coverages for 40 years. Details and an enrollment form are available at your school.

You can limit coverage to school related injuries only (including sports) or opt for 24/7 protection. Also offered is a *Student Health Care Plan* (recommended if you child has no other health insurance) and a *pharmacy discount program* for your entire family. Whether your child currently has no other coverage or you want to “fill in the gaps” in other insurance, you will probably find an option to fit your needs.

While you can seek care from any doctor or hospital, you’ll also have access to an extensive network of medical providers with discounted charges. Seeking care through contracted providers may further reduce your out-of-pocket costs, particularly if you child needs surgery or hospitalization.

To enroll, complete the enrollment form in full, select the plan(s) you want for your child, enclose the proper premium using a check, money order or credit card, seal and return as directed on the form. You can also choose to enroll online at [www.myers-stevens.com](http://www.myers-stevens.com) by clicking the “Enroll Now” button. While your child is eligible to enroll at any time, you are encouraged to consider early enrollment to get maximum value from the plan(s) selected.

If you have any questions, please call Myers-Stevens & Toohey at (800) 827-4695. Bilingual representatives are available for parents who need assistance in Spanish.

Sincerely,

Michelle Jones  
Director of Business Services
