Tip: Show up. Coming to school every day is the most important predictor of passing your classes and graduating.

Step 2: Time to THINK about college and PLAN WISELY. Take advantage of your options in high school to explore future college and career paths. Next year your options will expand to include more advanced courses in Performing & Visual Arts, Agriculture, Culinary Arts, Engineering, Foreign Language, Media Arts Technology, & Education. Some of these options will include college credit that leads to a certificate or degree. See the course catalog for more information.

Step 3: Make your CHOICES. See back side for a list of the course offerings at PHS.

List your elective choices below in order of priority with 1 as the highest.
