Insurance Information

School Health Centers are funded through third-party insurance, Medicaid, grants, and local support. Providing us with your insurance information allows us to bill your insurance and continue to provide the services to as many students as possible.

Families with no health insurance or who do not provide insurance information are referred for screening to see if they qualify for the Oregon Health Plan or other insurance programs. This coverage could fully insure your child for medical, dental, and emergency services. We strongly encourage you to apply for this valuable coverage.
If your insurance company sends a payment check directly to you, please endorse it to Umatilla County Public Health Department and bring or send it to your school health center.

If your insurance company does not pay for all or part of the cost you are not responsible for any out-of-pocket expenses for services received at the School-Based Health Center.
